### pastor's ponderings

After Jesus left the tomb on Easter morning and talked to Mary, he went to the disciples, who were fishing. I think that is what many

people, men in particular, like to do when they need to think. It doesn't really matter if we catch anything but it's nice if we do. (that is a general "we" I don't fish, it involves worms and well, fish) Anyway, the disciples had gone fishing. They thought they knew what to expect there. Until Jesus shows up. He has a conversation with Peter that I believe is important to the life of all of us who claim to be followers of Jesus.

He asks Peter, three times, "Do you love me?" Three times Peter says, "Yes, Lord, I love you." And three times Jesus responds with "Feed my sheep." It's an important call to be the followers who love God's people. Feeding might involve actually feeding but it might also involve building homes, going to the poor and helping to provide for their needs, caring for those who need extra help.

You might notice in this newsletter that the number of mission opportunities for Calvary to be part of is growing. A group of people have been busy putting together opportunities for us to work together in caring for God's people. There are so many ways to be involved that one of them should work for you. Some are here in our community,

helping with breakfast at St. Andrews and helping to build homes with Habitat for Humanity. Some of us are heading into Detroit to help out at Cass Social Services. Hopefully, we will be making plans for international missions before the year is up. There are opportunities for fund raising to support these efforts and the opportunity to volunteer and work together to help change the world.

The work we do will help many people, make a home, and supply people with basic needs for daily survival. But the work we do will also change us and bless us. The opportunity to do God's work is also the opportunity for each of us to grow in faith, to be blessed by the people we serve. I hope that each of us will get involved in some way in the mission projects that we will be doing together this summer.

Jesus asks Peter – asks us – "Do you love me?" "Yes, Lord, we love you!" "Then feed my sheep."

Grace and Peace,

*Beth*

## from ruth

A reminder that most folks have one mouth and two ears, We should, therefore, try to listen more and hear what someone is saying. Such effort is especially beneficial for anyone older, have a hearing deficit, has trouble finding words, or is just pre-occupied or tired.

As always thanks so much on behalf of the many folks you help by donations. Please continue to save metal tabs, eye glasses, and labels for education. You can leave them in the narthex, or give to Ruth Husung.

### The Trouble Tree

A woman hired a carpenter to help restore an old house. One day his electric saw quit and his truck failed to start. It had been a rough day. So the woman drove him home as he sat silently beside her. On the way, he stopped to touch the tips of a tree branch. Then he invited the woman to come in and meet his family, and when he went inside, his whole attitude was transformed.

Later he walked the woman back to her car. She asked him why he had stopped to touch the tree. He replied, "I may have rough days at work but they do not belong with my family.

The next morning when I go to the tree and pick up yesterday's problems, they are not nearly as many as I recall hanging on the tree the previous day."

## may is habitat month

Work on the two Habitat for Humanity Good News Houses on Warner St. in Ypsilanti begins May 12. We need your participation for Calvary's two work days on Thursday, May 19 and Saturday, July 9. Sign up in the Narthex and please offer your prayers for this summer's workers and the families who will move into the two houses the Good News group will renovate. Our May 19 work day is a part of Calvary's Change the World week.

Calvary has pledged to raise \$800 to support the project. Making some noise - Each Sunday in May, we will be receiving our "Clatter Collection" to support the Good News Habitat House. Bring your "pocket" change and "make some noise" to fill our bucket for Habitat. You can make your "major" donation to support the Good News House on any Sunday or at the *Mail Boxes in 3-D* concert. Make checks out to Calvary and write "Habitat" in the note section or put in an envelope noting "Habitat."

at 7 pm on Friday, May 20! This event is part of Calvary's Change the World week.

## calvary in mission

Calvary is expanding its opportunities to work in mission locally and in Detroit. We will have work groups of about 6 people participating in the breakfast ministry for the homeless at both Cass United Methodist Church in Detroit and St. Andrews Church in Ann Arbor in an on-going Saturday morning mission project. We plan to have one Saturday a month alternating at Cass and St. Andrews starting this summer. St. Andrews is scheduled now for 7-9:30 am June 25 and August 20.

There will also be a mission trip to Cass, July 5-7 this summer. This is an extension of the youth mission trip to Detroit in the Joy-Southfield community with Motown Mission last summer. But this opportunity is open to all at Calvary! You can stay all three days, commute, or come only one day!

## how you can become a habitat homeowner

Learn more about Habitat Homeownership at this workshop at Calvary from 6-8 pm on Thursday, May 26 offered by Habitat for Humanity of Huron Valley staff.

Did you know that you can own a Habitat home with a zero percent mortgage and \$500 down payment with low monthly payment based on your info? You may qualify if you are willing to partner with Habitat (sweat equity), have the ability to pay a monthly mortgage, live or work in Washtenaw County and other simple requirements--check out the information sheet in the Narthex or call Habitat at (734) 677-1558.

You or someone you know could qualify for homeownership through Habitat for Humanity. Share this opportunity with your friends and family. Call (734) 677-1558 to sign-up or sign-up in the Narthex. Flyers to pass out are available in the Narthex as well.

This workshop is also a part of Calvary's Change the World week.

## remembrance of easter

Take a moment to observe the empty cross hanging in the sanctuary. It is a reminder that Christ no longer hangs on the cross but lives for each of us today.
